

# Official Practice Walk 2021

Apart from the main Lighthouse 2 Lighthouse Ladies Walk, we also hold an annual "Official Practice Walk" a month before. During this event, held on a Saturday morning, all registered walkers and any walking enthusiasts who wish to join us walk from De Kelders in Gansbaai to Grotto Beach in Hermanus along the coastline. The funds raised from this walk go to the secondary beneficiary charity. The charity can also use this day to host fundraising activities.

A fixed amount of the registration fee of each registered Lighthouse 2 Lighthouse walker will also be donated towards the secondary beneficiary. The event is advertised in local media who encourage the local community to come and support this initiative.

Since the first Official Practice Walk was started in 2012, the following charities have benefitted from the funds raised on this day:
