A quarterly newsletter

L2L Wednesday Walks - 4 August 2021

WOMAN'S DAY - 9 AUG 2021

Feeling privileged to experience this day with you...

Although the lives of everybody has been affected by COVID-19, I believe every member of Lighthouse 2 Lighthouse Ladies, every sponsor and every supporter will come out stronger when this pandemic is over! Every obstacle offers an opportunity to change for the better!

This is the first newsletter *From the Desk of L2L* - and that in itself is a privilege.

Ladies (and guys), I am not going to talk about the past 15 years; that will be addressed in a later issue of our newsletter.

With this first edition of the L2L newsletter, and as it is Women's Day, we would like to do it differently.

L2L start at Agulhas 2021

Why? Because L2L is different and a brand that was established by hundreds of different women over the past 15 years.

By now you are all aware that Registration Day will be on Tuesday 10 August 2021, at 12:00. (Online registration at <http://lighthouse2lighthouse.co.za/register-2022>) - in no small part because since February 2021 we started posting on Facebook, with a wonderful reaction from our ladies.

Also, from a husband...Michael B, from Hermanus, who has endured this for the past 9 years, and I am going to quote him...

"If anyone is willing to join these fun-loving, crazy Lighthouse to Lighthouse ladies, please join them now. Any and all walkers add to the memories and amazing feats of endurance, camaraderie and general mischievous (lady like) behaviour. Bless the new walkers' innocent hearts and feet! These amazing ladies always make L2L the walk to walk. The kids and I (and anyone who dares ask) have been stuck listening to the most hilarious stories repeatedly (we can recite them off by heart - 2 prong plugs and mattress "pakkies" are so funny).

New to the table from this year's walk - there where 3 (this cannot be highlighted enough, apparently) new rivers and have you ever been wet?)

A firm favourite is SNORKIE - (I cannot tag the Lighthouse wife who instigated this one for good reason). For 9 years L2L members disappear for a few of days and return exhausted, with new adventures and experiences to keep us entertained, well into my dotage and there will be 2 walks next year. Golly Gosh, save our ears and their feet. Always the feet..."

Need we say more?

So, join us and experience the satisfaction and joy when you make a difference in the lives of others... simultaneously enriching your inner self when you experience the camaraderie of you fellow walkers, the magical silence of long walks on pristine beaches and the fynbos of the beautiful Overstrand area.

To close.....

The Wednesday Walks have started again - more about that on Facebook - see @Lighthouse2LighthouseLadies.

Till next time

Yours in Walking

And a quote from Hanlie (from Pretoria):

"Ek was nog nooit een vir vroue-kampe en dames-oggende nie. Die laaste "vrouerige" byeenkoms waar ek was, was heelwaarskynlik Veldskool op Hoërskool. Maar.... ek is mal oor stap! En so beland ek toe op hierdie jaar (2020) se Lighthouse 2 Lighthouse Walk: 100km, 4 dae, 120 vroue, 1 doel (net voor COVID!).

Wat 'n ongelooflike ervaring!

Vroue gee en deel so maklik...van pleisters en pille tot plakkers en praktiese raad...lief-en-leed stories, dra (letterlik!) mekaar se laste, laat mekaar skatter van die lag en maak op hulle sagte, maar sterk manier van menswees, ongelooflike verskille aan ander mense se lewens.

Hierdie was 'n onvergeetlike voorreg!" ...en Hanlie, jy doen dit weer in 2022!

The old and new L2L Committee kick off the Wednesday Walks on 28 July 2021
