Hermanus, Overstrand, Western Cape

- There isn't time to collect anything on Thursday morning.
- Please ensure that you are in Hermanus on the Wednesday.

You will receive a tog bag, a taxi bag, HCFS sponsored buff, the official 2022 L2L T-shirt and a few other sponsored items.

### **Tog bag:**

- If you are a first-time walker, you will receive a sponsored L2L Ladies tog bag. **You are only allowed to take this bag with clothing and toiletries on the bus.** These bags will be placed in the hold of the bus - do not take breakables like bottles of wine, in this bag. The bags are packed tightly, and glass bottles might break due to the weight of other bags packed on top of it. There is limited space available in the packing hold of the buses.
- If you walked previously, you must use the tog bag you received then, and this is again the only bag allowed for clothing and toiletries.
- Please refer to the packing lists on the L2L Ladies app.
- You do not need a lot of clothes, or anything fancy - this is a very casual and comfortable weekend. However, you will need a few warm clothes as it is cooler in the Western Cape and we will spend a lot of time outside.
- No liquor allowed - Please **do not pack breakables** like bottles of wine in your luggage - these could break when packed in the hold.

### **Taxi bag:**

- Everyone will receive a taxi bag.
- You are only allowed to put your sleeping bag, pillow and mattress cover in this bag. It has to fit in the overhead storage of the bus. Therefore, don't pack anything else that makes it too bulky - unless you want to travel with the bag on your lap.
- No Liquor allowed

### **Goody bag / Draw string bag:**

- Your drawstring bag should be used to carry your crockery and cutlery, dishcloth, etc. We suggested you bring along your own wine glass and/or mug. Every evening you will use your own crockery and cutlery in camp. You are not

allowed to use the crockery and cutlery of the house in which you will be staying.  
(Please refer to the packing lists available on the L2L Ladies App).

## Official L2L Ladies' Walk 2022 T-shirt

Your T-shirt is to be worn on the final day of the walk. Change into the T-shirt at Die Plaat (our lunch break along the pebbled ridge) so that we walk through Uilenkraalsmond in our official L2L T-shirts. We also reach the end point at Danger Point Lighthouse and along Grotto beach to the final finish line in our official T-shirt.

Collect your other sponsored items from the sponsored tables. There are shops and restaurants in the particular area. Once you have collected all your L2L items and sponsored items, you are then free for the rest of the day.

Make use of your time at Whale Coast Mall to shop and use your Mugg & Bean / Spur voucher while socialising and catching up with friends and making new ones.
